PROFESSIONAL EXPERIENCE

YALE VENTURES — **New Haven, CT**
Planetary Solutions Venture Associate — **Sept. 2026 – Present**

- Develop commercialization toolkit for Yale faculty-led climate technology ventures, including resources for market sizing, customer discovery, competitive analysis, and funding strategy

CLEAN ENERGY VENTURES — **Remote**
Independent Consultant — **Jun. 2026 – Jul. 2026**

- Analyzed climate technology portfolio impact data for annual investor reporting, updating company impact assessments, aggregating ESG and impact metrics, and calculating financed emissions

NOVATA, INC. — **New York, NY**
Senior Manager, Strategic Initiatives — **May 2026 – Jun. 2026**

- Developed and deployed AI tools for ESG diligence, climate-risk assessment, and Microsoft supplier compliance service offerings, cutting delivery time per engagement by ~50%

Manager, Carbon & ESG Advisory — **May 2024 – Apr. 2026**

- Spearheaded development of new ESG diligence offering, partnering with product and sales teams on feature scoping, market sizing, and GTM strategy, resulting in ~$200K in early ARR
- Supported $1.5M+ in closed sales (~15% of total ARR) by providing technical expertise during customer engagements and supporting commercial strategy for new ESG diligence and carbon accounting products
- Translated customer needs into software feature requirements and product improvements, establishing continuous feedback processes that contributed to ~2x growth in carbon accounting tool usage
- Led portfolio-level ESG and carbon data collection strategies for PE, growth, venture, and credit investors, supporting investment monitoring and LP reporting

MALK PARTNERS — **New York, NY**
Project Manager / Consultant, Climate Advisory — **Jan. 2023 – Apr. 2024**

- Led ESG and impact diligence on 40+ growth, venture, and credit transactions; interviewed management teams, assessed regulatory and commercial risks, and presented key risks and recommendations to investors
- Built bottom-up market-sizing model for carbon accounting services using client conversion and portfolio-based pricing assumptions; developed new offering serving 10+ investor clients

Senior Associate / Associate — **Feb. 2021 – Dec. 2022**

- Executed ESG due diligence on 70+ PE, growth, credit, and venture transactions; authored external thought leadership on climate policy, ESG regulation, and industry trends

VIVID ECONOMICS — **Washington, DC**
Analyst — **Jun. 2020 – Dec. 2020**

- Analyzed environmental impacts of $17.2T in G20 countries' COVID-19 stimulus packages; research featured in *The Guardian*
